

THE PENSIONS REGULATOR'S TOOLKIT WORKSHOPS

UPDATING TRUSTEES ON THE LATEST DEVELOPMENTS - THE PENSIONS REGULATOR'S TRUSTEE TOOLKIT IS AN EXCELLENT WAY TO GET UP TO SPEED AND COMPLY WITH LEGAL REQUIREMENTS

'I found the training sessions very helpful. It was good to have time away from other pressures to concentrate solely on the toolkit," **Steve Green, Newburgh Precision Ltd**

"Thanks for today. Actually enjoyed the e-learning more than I thought I would!" **Clare Bye, AVEVA Solutions**

FOCUSED SESSIONS

We know that finding the time to complete the modules isn't easy. At our workshops we will provide you with the facilities to go through any necessary modules, either on your own or as part of a group.

The workshops are a very productive tool, with trustees usually completing between 3 and 5 modules in one go. The sessions are beneficial for new trustees and for those needing to update their knowledge of altered modules.

INDUSTRY EXPERTS

We will also have pensions, actuarial and investments experts on hand to provide guidance and assistance as you go through the modules to answer any questions you have or troubleshoot problems.

Each workshop is held in the morning, ending with lunch and a further chance to talk with our experts.
